Conrad Centre for Performing Arts*

Want to participate in “CSD’s Countdown to Christmas!” performance?

For CSD students (Kindies in Motion level and up!), we offer an optional series of choreography workshops to learn an entire dance, to be performed in our holiday-themed performance, “CSD’s Countdown to Christmas!” The choreography workshops are offered Monday, December 10th through Friday, December 14th at CSD studios. (There are NO regular classes during this week of workshops!) Check out the available workshops below and sign-up online. Login to your Studio Director account (same as fall registration) & add workshop classes under the ‘December Workshop’ tab. **Workshop cost is \$15.00.**

Participants must be available on **Saturday, December 15th** for rehearsals in the morning and afternoon, as well as the **4:00pm performance**. Costumes are simple, so there is no costume fee for participants! A newsletter will be emailed to participants once registration for workshops is complete and will include rehearsal times!
