

# 2021 Production

## Performance Commitment Form

**ALL CSD families with a full year student(s) MUST complete this form and return it to the CSD office by January 1, 2021. One form per family.**

**NEW THIS YEAR!** A Performance Fee will be charged monthly based on the number of costumes per family. Reminder: PBT, Grade 5/6 Prep Pointe, Beginner Pointe and All Exam classes do not participate in the June show. Please do not include any Assisting classes – those costumes will be billed separately.

**Every family MUST submit an electronic copy of the Performance Commitment Form to the studio.** Please select the number of costumes for each dancer. For example, if Child #1 has 2 dances, and Child #2 has 3 dances, but only wants to participate in 2 dances, your monthly performance fee would be based on 4 costumes. If your child is not going to perform in all of their classes (as per Child #2 above), please indicate on the form which costume/class dance they WILL NOT be getting under “Additional info”. Once you have confirmed the number of costumes per family, and submitted your Performance Commitment Form, your monthly performance fees will be added to your dance account. Performance fees will be charged as a monthly fee with 5 monthly installments from January 1, 2021 through May 1, 2021.

Monthly performance fees include costume fees, family DanceBUG account with links to all shows, photo packages (one individual and one group photo per costume), as well as extra rehearsal time at the studio and theatre. It does not include tickets for the performance.

If you do not submit a Performance Commitment Form by the deadline, you will not be charged Performance fees and your dancer(s) will not perform in the June 2021 production.

**Performance Commitment Forms are due: January 1, 2021.**
